

MultiBrax® MB 650 SV starter kit

Features:

Characteristics: Abrasive starter kit for MB 650 SV satin finishing attachment

Benefits:

- Revolutionary mandrel enables fast change of rollers
- Mandrel with Roloc holder
- Fits all commercially available satin finishing rollers (19 mm; 1-, 2- and 4- keyway systems)
- The fleece Roloc disc attached to the front prevents unwanted damage when working at an angle (such as angle profiles)
- All items in the starter kit can be reordered separately

Application:

- Surface finishing
- Versatile application possibilities in tool making, mold construction, mechanical engineering, container construction, model construction, aircraft construction and engine construction

Set consisting of:

- 1 x folded non-woven roller GB 721 100 x 100 x 19 mm, orange (grit 80) (Item no. 10010019ORANGEFW)
- 1 x MultiBrax® MB 650 SV mandrel mit M14-thread (Item no. MB650SVDORN)
- 1 x Roloc fleece disc GB 607 Ø 51 mm (Item no. 51FILZR)

For the right cutting speed for your application, please refer to the cutting speed information sheet.
