

Clean & Strip discs GB 683 0

Features:

Grain:	Ceramic grain
Intake:	Roloc quick change system
Grit Range:	Open structure
Appearance:	Neutral

Benefits:

- High performance thanks to ceramic aluminum oxide abrasive grain
- No clogging with lubricating coatings, adhesives and soft metals

Applications:

- Clean & Strip discs are excellent for quick cleaning and grinding without transitions on metal
- With light pressure, the disc can be used for surface finishing
- With higher pressure, the disc can be used for coarser cleaning

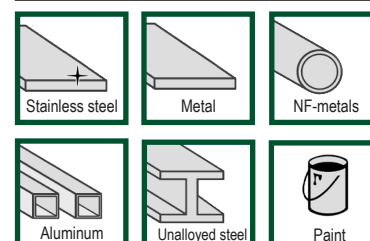

∅	Intake	max. rpm
51 mm	Roloc	25.000
76 mm	Roloc	20.000

For the right cutting speed for your application, please refer to the cutting speed information sheet.
