

Inox adhesive tape KB 476

Features:

Material:	Stainless steel 1.4404 equipped with double-sided adhesive tape
Width:	100 mm
Length:	200 mm, 1 m, 3 m (further dimensions by arrangement)
Film thickness:	0,15 mm
Heat resistance:	short term 160°C

Benefits:

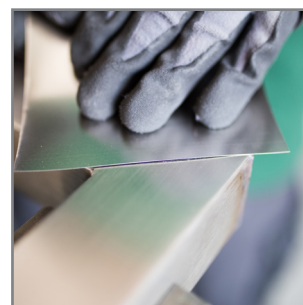

- The KB 476 stainless steel adhesive tape can be used several times if the peel-off film is re-applied to the adhesive surface after use

Applications:

- Protects the opposite side from unwanted grinding marks when working at an angle
- Useful grinding aid for miter grinding

For the right cutting speed for your application, please refer to the cutting speed information sheet.
