

Multifunctional grinding arm for MultiBrax belt files

Features:

Dimension:	Holder: 17 x 1 cm Roll: Ø 29 x 35 mm
Weight:	190 g
Intake:	Roloc quick change system and discs with 20 mm inner hole

Benefits:

- High quality grinding arm
- Patented, low multifunctional roll (35 mm) allows to work in tight angles, such as with installed handrails
- Ball bearings have double bearings and are protected from dust
- Simple, tool-free replacement of the grinding arms

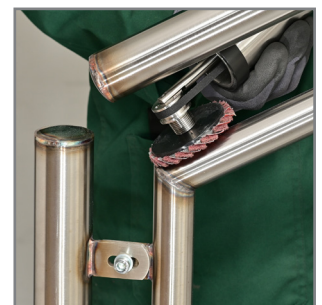

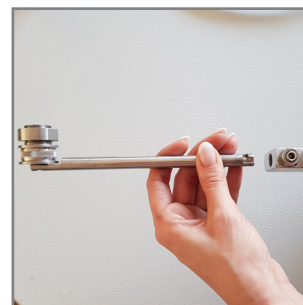

Applications:

- For grinding applications with the MB 650 MV MultiGrinder attachment and the MB 650 BV belt file
- The multifunctional roll serves as a holder for Unitized compact discs (Ø 20 mm inner hole) and, thanks to the quick-change system in the head, also for Roloc discs
